

Marija Kaplarević was born in Belgrade in 1981, where she completed elementary, secondary school, and graduate studies at the Faculty of Music in Belgrade in 2004. During her studies, she began working as a solfeggio teacher, and until now, she lectured in a few different music schools as well as at the Faculty of Philology and Arts in Kragujevac.

She continues her education after graduating with post-graduate studies, then in 2016, she entered specialist studies, and in 2019 Ph.D. all in the music pedagogy area of study.

While working as a teacher, she performed as a solo and choir singer in few Belgrade amateur choirs.
